Description:

Probably the most famous book ever written on making money in Real Estate. Twenty years since HOW I TURNED \$1,000 INTO ONE MILLION IN REAL ESTATE IN MY SPARE TIME was published, scarcely a day passes but someone asks, Is it still possible to follow your formula to make a million? Or has there been a major change? Opportunities for the average person today are better than ever before. The basic investment formula has not changed. Nor is it likely to, for it has become accepted by experienced Realtors the world over as the established Real

Estate Bible. Now, the original success story, how the author turned \$1,000 into a Million dollars, then into Three Million and now into Five Million, in his spare time. Unbelievable? Start reading and see. This book show how with average ability, average savings and average luck, you can become a millionaire.

The original edition of this book helped me become a very successful real estate investor. It went out of print, just found its out again, have purchased 33 of these books and given to nephews/nieces, children, friends, clients, all young people starting out. Just ordered another 24. Best book for learning this way to invest, best perspective and most practical. Someone gave me this book when I was 23, would never have picked it up because of the hokie title, but it was a life changing book for me.
